

## ***LIMITED ONE-YEAR SURESEAL RING WARRANTY***

Presti Industries (Presti) warrants its SureSeal Rings to be free from defects in material and workmanship under normal use and the following conditions:

1. Distributor must list DATE CODES for each box on the end-user invoice at the time of sale to maintain the limited warranty.
2. During the first ninety (90) days from date of end-user purchase Presti will replace any defective SureSeal Ring.
3. After ninety (90) days and up to one year from date of end-user purchase, Presti will issue a prorated credit towards the replacement of any defective SureSeal Rings with a new unit.
4. This warranty is not valid if the SureSeal Ring has been modified, improperly installed, neglected or misused in any way.
5. This warranty is not valid if the SureSeal Rings DATE CODE is more than eighteen (18) months old.
6. All requests for warranty returns must be submitted by an authorized distributor.
7. The authorized distributor must provide a copy of Presti's invoice (with listed DATE CODES) and a copy of the distributor's end -user invoice.
8. Presti will not issue a return authorization number (RMA) without proof of distributor and end-user purchase with matching DATE CODES.
9. A return authorization number must be issued before returning the SureSeal Rings for a warranty claim.

*The SureSeal Rings must be returned to Presti Industries freight prepaid for evaluation. After determining the cause of failure and if the failure is covered under the limited warranty Presti will issue a credit towards the replacement of the SureSeal Rings (plus the prepaid freight cost).*

**Presti's Limited Warranty is subject to change without notices.**
